

We are a global company that delivers satisfaction to customers worldwide through safety, comfort, well-being and the environment

The Toyota Gosei Group continues to meet the needs of society through the provision of automotive and other products using rubber and plastic technology.

Company Creed

Boundless Creativity and Social Contribution

Management Philosophy

Good corporate citizenship

We, as a good corporate citizen, contribute to the economy and society through community-based business activities and social action programs.

Proper business operation

We promote business operations with integrity through the establishment of a system founded on thorough compliance and corporate ethics.

Sustainable growth

We aim to build up the TG Group's collective strength through an open and fair relationship with suppliers, through a mutually strengthened corporate structure and innovative management response to change.

Customer satisfaction

We aim to provide products and services with satisfying quality and price in a timely manner, through forward-looking R&D and production engineering.

Conservation of global environment and resources

We aim to conserve the global environment and resources in order to hand down a greener world to our children through every business activity, which includes cooperation with society and the development of an environment friendly product and manufacturing process.

Respect for the individual

We aim to establish a vibrant corporate culture through respect for individuality and the value of enhanced teamwork, based on shared responsibility and mutual trust between employees and management.

The company logo was modeled after the "benzene nucleus," a chemical compound consisting of six carbon atoms. Even very active and unstable chemical substances become stable in a hexagonal form, and the logo symbolizes our vigor and stability.
