

Editorial Policy

This report was prepared for the purpose of enabling shareholders, investors, and other stakeholders to gain a deeper understanding of the Toyota Gosei Group. The report presents the Toyota Gosei Group's strategies and initiatives for creating medium- and long-term value. When creating this report, we referred to frameworks such as the "Integrated Reporting Framework" proposed by the IFRS Foundation, the "Integrated Disclosure and Dialogue Guidance for Value Co-creation" by the Ministry of Economy, Trade and Industry, and the "Intellectual Property and Intangible Assets Governance Guidelines" by the Cabinet Office. We strive to create concise and easily understandable content. For more detailed information on financial and non-financial information, please visit the Investor Relations page or the Sustainability page on our official website.
